MILITARY
SOLUTIONS

MANUFACTURING PLAT

ITG™ (International Textile Group) Military Solutions offers a diverse range of vertical manufacturing capabilities along with a wide variety of fiber and fabric blends.

ITG™ DOMESTIC & GLOBAL MANUFACTURING PLATFORM

EMPLOYS APPROX.
5,000 PEOPLE

- Operates 11 facilities in 3 countries across 3 hemispheres.
- Focus on leading technology and market forward performance.

INNOVATION

- Burlington® Labs
- Cone 3D

HEADQUARTERED IN
GREENSBORO, NC, USA

BURLINGTON®

Since 1923, Burlington® has been a global textile leader. Its international presence supports core competencies in worsted wool and performance synthetic textiles.

PHYSICAL TRAINING & EXTREME WEATHER

- PT shorts and running jackets/pants
- Soft shells & windshirts
- Waterproof, breathable shells & parkas

BALLISTICS

- Soft armor covers
- Vest components

BURLINGTON® RAEFORD

Representing over 50 years of tradition and experience, Burlington® Raeford has provided quality fabrics for every branch of the United States Armed Forces and the United States Military Academy. Many international militaries also call upon Burlington® Raeford to fulfill their fabric needs.

CLASS A DRESS UNIFORMS

- 100% Worsted wool
- Poly/wool blends
- Civil service uniforms

FORMS & PRODUCT RANGE

CARLISLE™ FINISHING

Carlisle™ Finishing manufactures dress uniform fabrics for US prime government contractors and supplies material for US Army ACU, US Marine Corp MCCUU, US Air Force ABU and US Navy NWU. In addition, Carlisle Finishing has been engaged in supply contracts for South America and countries in the Middle East.

SAFETY COMPONENTS™

Safety Components™ maintains a technology leadership role as the leading supplier of flame resistant solutions for structural fire fighting and military uniform applications. They also supply a wide array of technical fabrics for specification driven markets.

CAMOUFLAGE COMBAT & UTILITY

- US military, commercial licensed, and NATO patterns
- NyCo, 100% cotton, fire resistant uniform blends
- Permanent press, wrinkle-free, soil release, water resistance

FLAME RESISTANCE

- 100% Nomex® fabrics
- FR Combat uniform/utility
- Inherent FR blends
- Structural fire fighting

SHELTERS & COVERS

- Tenting & awning
- Shipboard covers
- Equipment covers

HIGH PERFORMANCE EQUIPMENT

- Packs
- Utility
- Boots

SPECIALTY

- Vehicle armor
- Bomb decelerator chutes
- Crash worthy fuel cells
- Potable water tanks

PERFORMANCE TECHNOLOGIES

MCS® BLOCKER

Moisture Control System® that absorbs and moves moisture away from the body and dries quickly while providing excellent UV protection.

DUREPEL™ PLUS

A unique water and stain repellent finish with exceptional durability and maximum protection, even after repeated washings.

NO FLY ZONE®

Insect repellent technology that works as an odorless contact insecticide and repellent. It is effective against mosquitoes, ticks, ants, chiggers, flies and midges.

SIGMA 4 STAR™

A revolutionary, proprietary blend of fire retardancy protection that offers the highest thermal protective properties with exceptional comfort and durability.

BODY SHIELD®

Thermal protective performance utilizing patent-pending fire retardancy composite technology for both soft and hard shell garments.

BIOGUARD®

Minimizes odor, provides hygienic freshness, maintains the ecological balance and prevents the deterioration and discoloration of fabrics
